Dear Kentuckians:

Thousands of brave men and women have answered the call to serve our commonwealth as police officers, deputy sheriffs, police chiefs, sheriffs, correctional officers, telecommunicators and administrative staff. They have chosen a profession of service in order to make our streets safer, our communities stronger, our commonwealth better and our nation more secure.

Our state is committed to providing some of most the exceptional law enforcement training in the nation, and in order to make enhancements to our training and policing we must know how and why crimes occur.

Being transparent is a top priority for my administration, and one way to be transparent is to share available crime data. Accurate and complete data allows us to be better informed, educated and stronger in our decision making so that we can always do the right thing. In law enforcement, we must be accountable to the people we serve. The Crime in Kentucky 2020 report produced by the Kentucky State Police provides details regarding the Commonwealth's annual crime statistics.

Information that is accurate, accessible and complete enhances and informs conversations about policing. This report allows law enforcement to be more proactive, helps communities strategically utilize and expand needed resources and improves the safety all Kentuckians and law enforcement officers.

It is important for all citizens to be actively involved in crime prevention. It takes all of us working together to make Kentucky the safest state in the nation, and it starts at the neighborhood level. I encourage all our citizens to make time to read this report in order to have a clearer and more complete picture of crime facing our Commonwealth. Let's commit to working together to developing strategies to combat criminal acts.

As your Governor, I want all law enforcement personnel to know that we are behind you, we are proud of you, and we are grateful for your service.

Sincerely,

A handwritten signature in black ink that reads "Andy Beshear".

Governor
